What is ICM?

- International Credit Mobility vs Intra-European Mobility (“Erasmus”)
- Opening of Erasmus to the World
- Short-term mobility for students (3-12 months) & staff (5-60 days)
- Mobility for Bachelor's, Master's, PhD & staff
- Bilateral agreements between HEIs from Programme & Partner Countries

Programme Countries

28 EU Member States + 5

What ICM Is Not?

- Not a "pure" extension of intra-European Erasmus
- Limited financial resources → competitive selection process (qualitative assessment)
- Reflecting EU external policy priorities
- European universities manage outgoing and incoming mobilities

EU funding

- Total ICM budget (2015-20): EUR 761 M
 - Turkey: EUR 27 M (~7,000 mobilities from 2015-2020)
- Funding provides:
 - Organisational support grant for participating institutions (€350 up to 100 participants, then €250)
 - Individual support for students (€650-850/month) and staff (€100-160/day)
 - Travel costs based on distance (€180-1100)

Funding Instruments

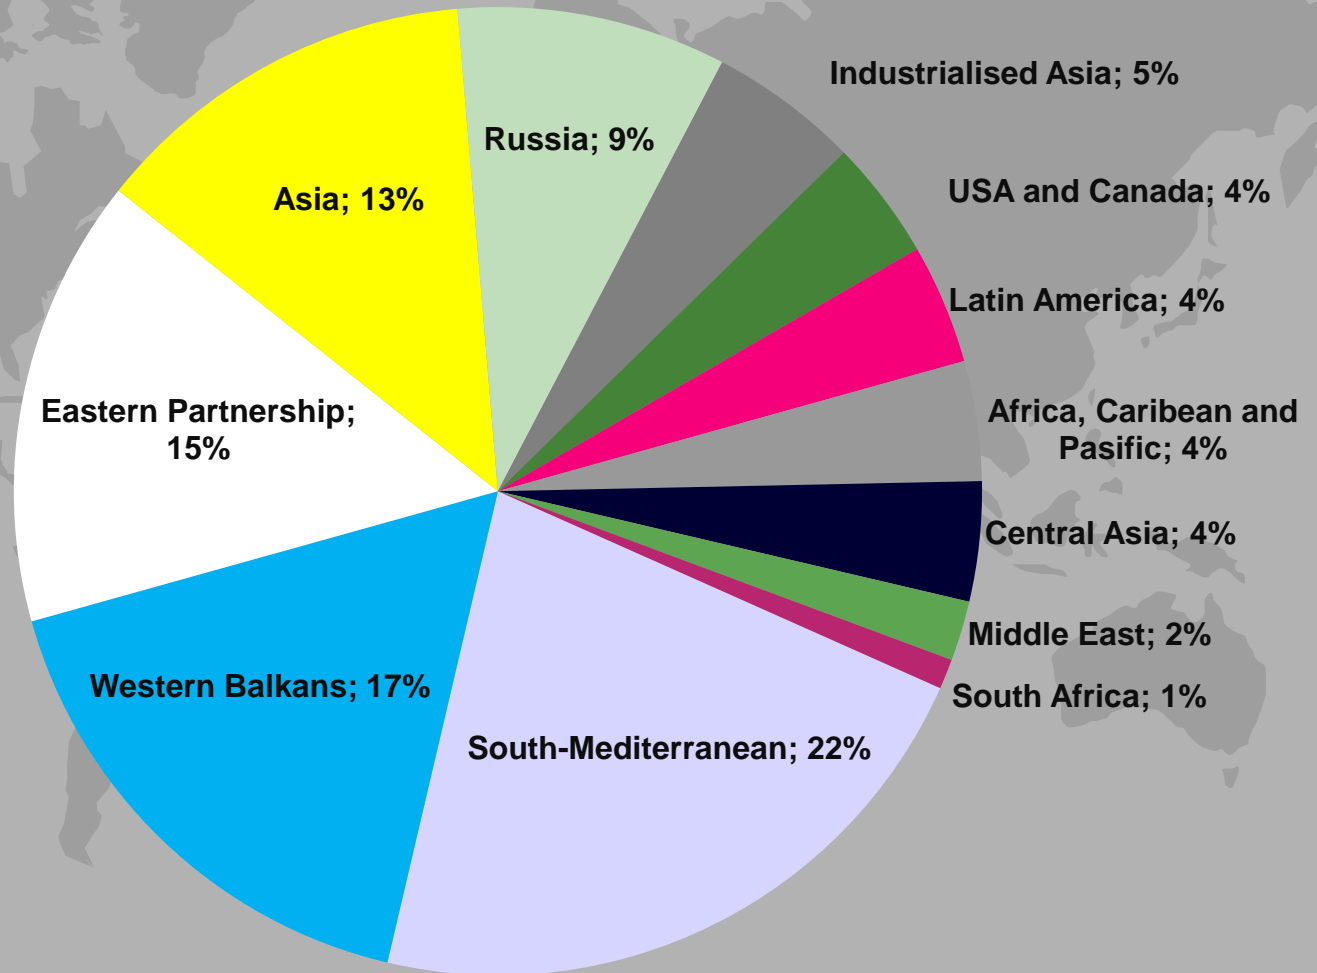

Different regions = different funding instruments

Budget 2017 Call

Total: EUR 145 M
