The Eurasia Programme

Educational cooperation between Norway and Eurasia

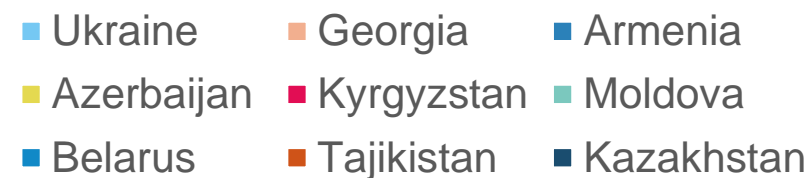

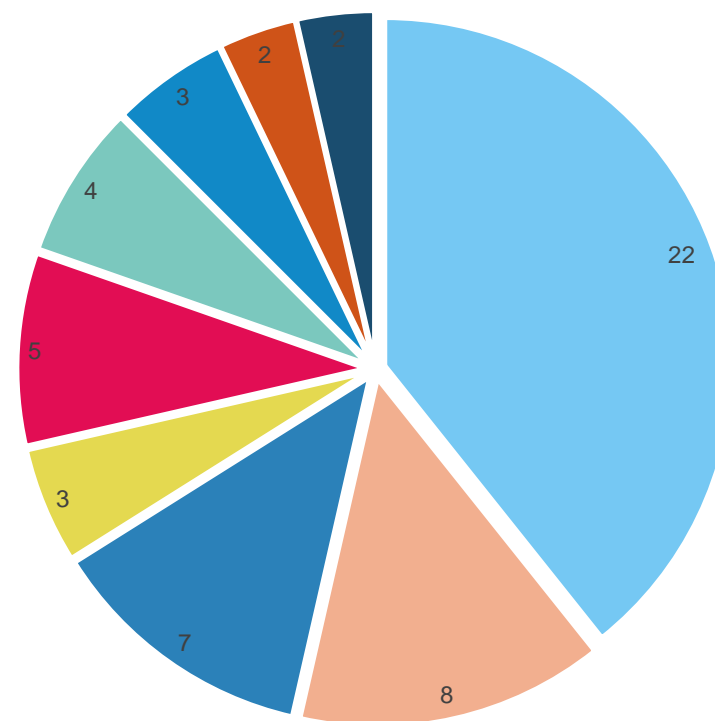

Presenter: Hege Toje

Senior Adviser, Norwegian Agency of International
Cooperation and Quality Enhancement in Higher Education -
Diku

Eurasia program - basic facts

- Funded by the Norwegian Ministry of Foreign Affairs
- Financial size: 16 million Euro
- Target countries: Belarus, Moldova, Ukraine, Georgia, Armenia, Azerbaijan, Tajikistan, Kyrgyzstan and Kazakhstan

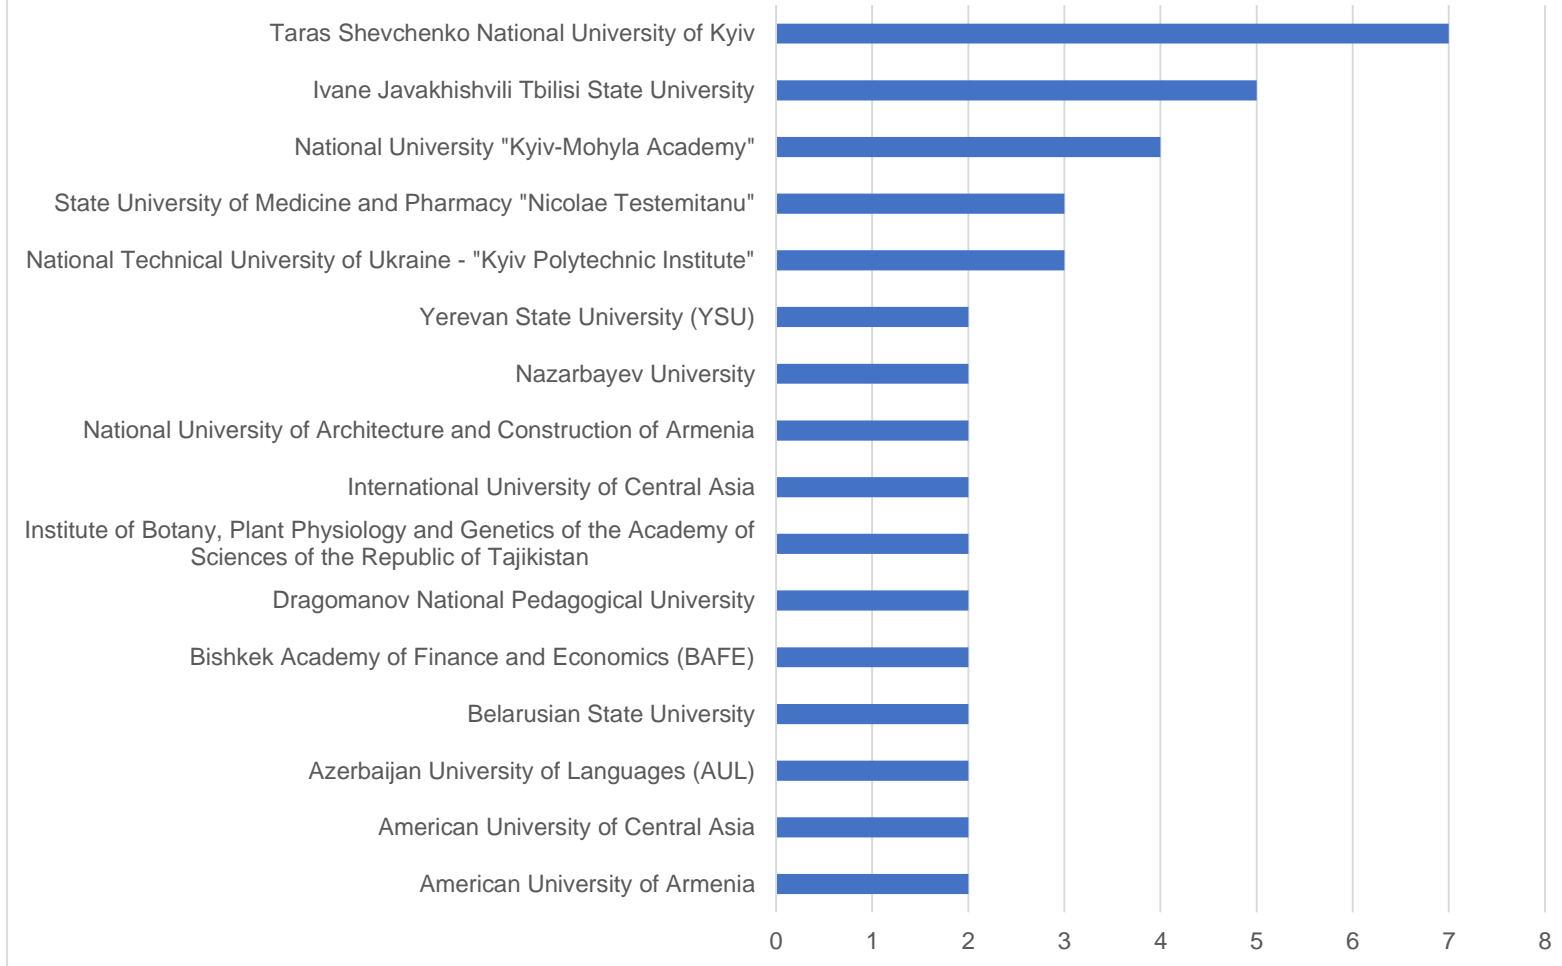

Eurasia programme objectives

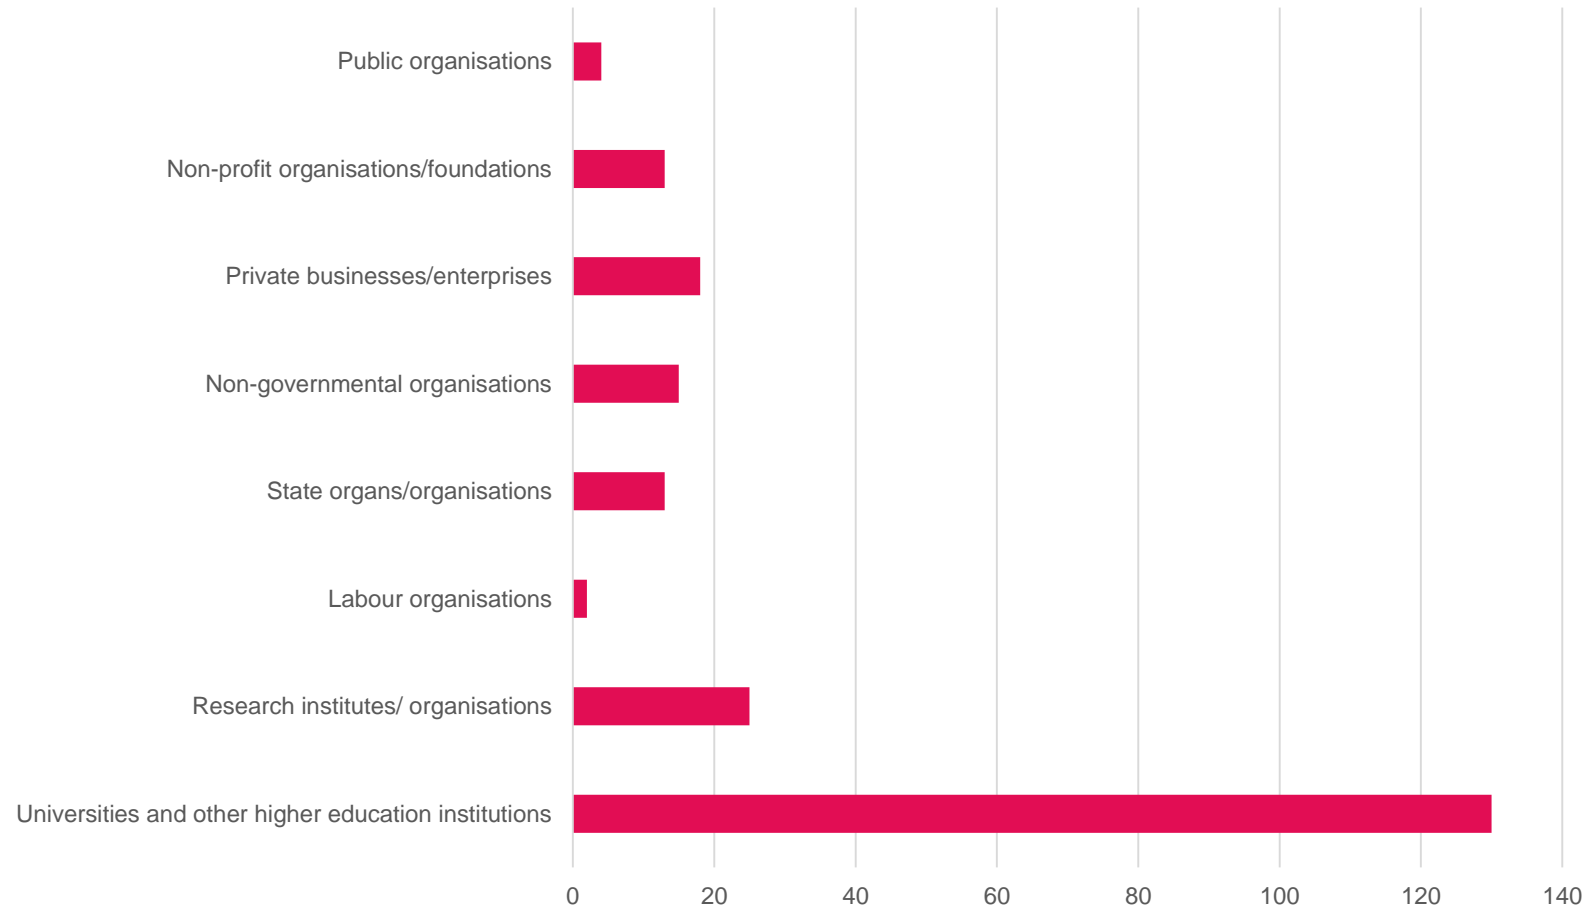

- development of strong and lasting institutional partnerships through academic collaboration between higher education institutions in Norway and the cooperating countries;
- regional collaboration between higher education institutions in the cooperating countries;
- development and implementation of courses, study programmes and degrees that are considered relevant to the needs in the cooperating countries, e.g. for the labour market;
- more research-based and internationally oriented education at the institutions in the cooperating countries, promoting a high level of student activity;
- improved links between higher education and the public and private sectors in the cooperating countries;
- improvements in university management, including implementation of reforms related to the Bologna process;
- more awareness, interest and knowledge about the cooperating countries at Norwegian higher education institutions;
- increased mobility of students and staff between the cooperating countries and Norway.
